Presentation

The Valoris Advisory subsidiary

In a context of transformation of global mobility, intensified cross-border exchanges between Switzerland and its neighboring countries and the deployment of new forms of work, corporations and individuals are facing new legal, social and tax challenges.

Valoris Advisory offers them innovative and pragmatic solutions, whether they are already present in Switzerland or planning to move there.

Both, companies and individuals can benefit for their national or international projects from the considerable advantage offered by the synergies of expertise between the law offices in Lyon, Strasbourg, Paris, the consulting firm in Geneva and the group's network of international consultants.

Shaping innovative tax and
global mobility solutions.

Valoris Advisory

Valoris Advisory is headed by **Ralf Pawolleck**, an economist, expert in tax and social law and specialist in global mobility.

Ralf Pawolleck is a German national and has been living in Switzerland for 25 years. He has acquired a strong experience in global mobility within a French multinational company and as a Partner of a large audit and consulting firm in Switzerland. He advises private clients, SMEs and multinationals from the banking, consumer goods and industrial products sectors.

Our ambition:
creating and
